

schedulerstrongapa.c

```
graph TD; A[schedulerstrongapa.c] --> B[rtems/score/schedulerstrongapa.h]; A --> C[rtems/score/schedulersmpimpl.h];
```

The diagram illustrates a C source file, `schedulerstrongapa.c`, which includes two header files. Two blue arrows originate from the bottom of the `schedulerstrongapa.c` box and point to the top of the `rtems/score/schedulerstrongapa.h` and `rtems/score/schedulersmpimpl.h` boxes.
